WHY CHOOSE 0% FINANCING?

Protect Your Cash Flow

Keep working capital free for fuel, payroll, and supplies — not locked up in equipment.

Earn Revenue Immediately

Put the mower to work on day one and pay zero interest over 24 or 48 months.

Scale Your Fleet Faster

Predictable low monthly payments let you add a 2nd or 3rd unit without delay.

True Zero Interest

Every single dollar goes to principal. No deferred interest hiding in fine print.

Pay It Off Anytime, Free

No pre-payment penalty — pay down the balance early at absolutely no extra cost.

Finance Up to \$75,000

Cover full commercial rigs plus genuine Ferris attachments all under one program.

THE FERRIS ADVANTAGE

■ Suspension System

Patented iso-suspension absorbs rough terrain — less operator fatigue, longer productive days.

■ Commercial-Grade Engines

Kawasaki, Briggs & Stratton, and Vanguard power built for intensive daily commercial use.

■ Precision Cut Quality

Large-diameter decks deliver consistent, professional results on every property.

■ Built to Last

Heavy-gauge steel frames engineered to withstand years of demanding commercial work.

■ Backed by Benge's

Warranty, parts, and service handled in-house at Benge's — minimal downtime for your crew.
